DISCLOSEABLE TRANSACTION
LITHIUM SALT PRODUCTION LINES
COOPERATION AGREEMENT

On August 19, 2020 (after trading hours), Party B (the Company) entered into a cooperation agreement (the “**Cooperation Agreement**”) with Party A (Jiangxi Special Electric Motor Co., Ltd.* (江西特种电机股份有限公司) (“**Jiangxi Special**”), Jiangxi Jiangte Mining Development Co., Ltd.* (江西江特矿业发展有限公司) (“**Jiangxi Jiangte**”) and Yichun Yinli New Energy Co., Ltd.* (宜春银锂新能源有限责任公司) (“**Yichun Yinli**”)), pursuant to which, Party A shall entrust their lithium salt production lines to Party B for production, operation and management independently, and in return Party B shall pay management fee to Party A. The term of cooperation will commence from October 1, 2020 and expire on March 31, 2023. The lithium salt production lines under the management cooperation specifically includes the subordinate production line of “the project of using lepidolite to produce 5,000 tons of lithium carbonate per year and comprehensive utilization of by-products”, the subordinate production line of the “expansion project of using spodumene to produce 10,000 tons of battery-grade and industrial-grade lithium carbonate and 5,000 tons of lithium hydroxide” and the subordinate production line of “the project of using lepidolite to produce 10,000 tons of lithium carbonate per year” (the “**Lithium Salt Production Lines**”).

The Cooperation Agreement shall be subject to the official approval by the Board. A Board meeting will be convened by the Company for approving the Cooperation Agreement. Further announcement will be made by the Company upon the official approval of the agreement by the Board.

THE COOPERATION AGREEMENT

The principal terms of the Cooperation Agreement are as follows:

Date: August 19, 2020 (after trading hours)

Parties: (i) Party B: The Company; and
(ii) Party A: Jiangxi Special, Jiangxi Jiangte, Yichun Yinli

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, Party A and their respective ultimate beneficial owners are third parties independent of the Company.

Term of the agreement: From October 1, 2020 to March 31, 2023 (the "**Management Period**")

Content of cooperation:

1. Party A has agreed to deliver the Lithium salt Production Lines and the plants (the "**Cooperation Assets**") to Party B for full operation and management; Party B has agreed to manage the Cooperation Assets in accordance with the terms and conditions of the Cooperation Agreement during the Management Period, and enjoy the corresponding rights and assume the corresponding obligations in accordance with the Cooperation Agreement.
2. During the Management Period, Party B shall be fully responsible for the production, operation and management of the Cooperation Assets in accordance with the terms and conditions of the Cooperation Agreement, and enjoy all operating revenue and bear all operating losses of the Cooperation Assets; Party A shall have the right to receive the management fee paid by Party B in accordance with the Cooperation Agreement, but shall not participate in the production, operation and management of the Cooperation Assets, and shall not enjoy the relevant operating revenue or bear the relevant operating losses of the Cooperation Assets.
3. During the Management Period, the ownership of the Cooperation Assets shall remain unchanged, and the Cooperation Assets shall legally belong to Party A.

4. From the effective date of the Cooperation Agreement, Party B shall lead the technological transformation of the Lithium Salt Production Lines, and Party A shall actively cooperate with the aforementioned technological transformation and provide reasonable support and assistance; the specific technological transformation plan and technological transformation costs shall be determined by Party A and Party B through mutual negotiation; the relevant technological transformation costs shall be borne by Party A and paid by Party B in advance, which shall be deducted from the management fee payable in 2020 and 2021 thereafter.
5. During the Management Period, Party B shall have the right to choose to purchase the Cooperation Assets from Party A at a price not higher than the book value of the Cooperation Assets. Upon expiration of the Management Period, Party B shall have the right to choose 1) to continue to operate and manage the Cooperation Assets; or 2) to purchase the Cooperation Assets from Party A at a price not higher than the book value of the Cooperation Assets. If Party B chooses to purchase Cooperation Assets from Party A at a price not higher than the book value of the Cooperation Assets, the specific transaction amount shall be determined by both Party A and Party B through negotiation based on the audited valuation results at the time, and Party A shall fully cooperate. If Party A violates this agreement and refuses to transfer the Cooperation Assets to Party B, Party A shall compensate Party B the amount twice as much as the amount paid by Party B in relation to management fee, technological transformation costs, lithium salt production line labour costs under this agreement.
6. For the purpose of the Cooperation Agreement, Party A has agreed to mortgage and pledge the Cooperation Assets to Party B, and provide guarantees for the compensation and indemnity payable by Party A to Party B.

Management Fee and its settlement: Both Parties determined after arm's length negotiations that Party B shall, during the Management Period, pay the management fee of RMB 192,000,000 (including tax, approximately HK\$ 215,380,000) to Party A in total. Party B will pay RMB 19,200,000, RMB 76,800,000, RMB 76,800,000, RMB 19,200,000 to Party A respectively on December 31, 2020, December 31, 2021, December 31, 2022, March 31, 2023. The management fee is determined based on the depreciation, amortization, and relevant tax associated with the Cooperation Assets.

Effectiveness of and prerequisites for the Cooperation Agreement: 1) The Cooperation Agreement has been approved by the authorised organization (such as the board of directors/ the general meeting) of Party A; 2) The Cooperation Agreement has been approved by the (such as the board of directors) of Party B; 3) the Cooperation Arrangement under The Cooperation Agreement has been approved by the mortgagee(s) and pledgee(s) of the Cooperation Assets. Upon the entering into of The Cooperation Agreement, the effectiveness of the Cooperation Agreement shall take effect subject to the fulfillment of the aforesaid prerequisites.
